

RoHS & REACH Declaration of Conformance

Greenfield has gathered the information presented in this document concerning compliance with the European RoHS Directive 2011/65/EU and 2015/863/EU (RoHS 2), the UK RoHS Regulations 2012 (as amended), and European Regulation No. 1907/2006, known as REACH (Registration, Evaluation and Authorisation of Chemicals), using reasonable methods to ensure its accuracy. This information is provided to the best of Greenfield's knowledge and has relied on information from its suppliers and other parties and has not independently verified such information. However, where Greenfield has not independently verified third-party information, it affirms that its suppliers have provided certifications for their contributions to the product, which are at least similar to the certification in this statement. Unless otherwise specified in a written agreement signed by an authorized Greenfield representative, Greenfield's terms and conditions of sale shall be the exclusive remedy and obligation for any issues related to the information provided in this document.

Greenfield certifies that its products do not exceed the concentration limits for the following substances in homogeneous materials by weight:

- Lead (0.1%)
- Mercury (0.1%)
- Cadmium (0.01%)
- Hexavalent chromium (0.1%)
- Polybrominated biphenyls (PBB) (0.1%)
- Polybrominated diphenyl ethers (PBDE) (0.1%)
- Bis(2-ethylhexyl) phthalate (DEHP) (0.1%)
- Butyl benzyl phthalate (BBP) (0.1%)
- Dibutyl phthalate (DBP) (0.1%)
- Di isobutyl phthalate (DIBP) (0.1%)

Additionally, Greenfield affirms that its products do not contain more than 0.1% (w/w) of any Substances of Very High Concern (SVHC) as listed on the REACH candidate list, dated June 25, 2020.

This declaration ensures compliance with both the European Union and United Kingdom RoHS regulations, as well as REACH requirements for the safe use of chemicals in the EU and the UK.
